PORTAL, MOBILITY & UX - MINISTRY OF JUSTICE

**Business Objectives**

Qatar Legal Information Portal is aimed at raising the efficiency level of the existing legal and judicial environment in Qatar by acting as a comprehensive and reliable online source of national legislations (since 1961) in Arabic and English — Providing easy access to a wealth of legal information and facilitating archiving and preservation of historic Qatari legislations

malomatia's Role

- › Delivery of end to end professional services to implement the project.
- › Digitization of national legislations backlog (50 Years).
- › Building initiative bilingual portal.
- › Enterprise search capabilities.
- › Content publishing workflow.
- › Provided Vendor Management for the Translation and Thesaurus tracks

Results Achieved

- › Enhanced transparency of the legislation system in Qatar.
- › Authenticated online access to Qatar legislations.
- › Electronic copy of the Official Gazette.
- › National archive for legislations and legal information.
- › Contributed in increasing Qatar global Competitiveness.
